

CMTC Escrow Account Agreement

Yes! I enclose my first deposit into the CMTC Escrow Account. (Please make check payable to “CMTC Escrow Account”.)

I understand and affirm the following conditions for my deposits into the CMTC Escrow Account:

- I am a conscientious objector/resister to military taxation who wishes to pay any federal taxes and/or use my personal savings only for humanitarian, nonviolent, and life-affirming purposes.
- Interest earned on my deposits will be used by NACC to promote War Tax Resistance and support human needs and social justice.
- Deposits by individuals who die and leave no instructions or individuals who move and leave no forwarding address (and from whom we do not hear and are unable to contact in five years) shall belong to NACC.
- Deposits are FDIC insured, and withdrawals from the Escrow Account can be made on request (in writing), usually within two weeks.

Please check one of the following:

I wish to support the Conscience Penalty Fund. In the event of IRS seizures of CMTC funds as a result of non-cooperation with levies on individuals' deposits, I authorize CMTC to remove \$15 or 3% (whichever is less) from my/our account as needed, but no more than once in a year, and deposit this amount in the Conscience Penalty Fund.

I do not wish to support the Conscience Penalty Fund.
